

NATO CIMIC STAFF WORKER COURSE (NCSWC)

NCSWC 01/22: 16th to 27th May 2022

Motta di Livenza (Italy)

Course Description

1. Bottom Line Up Front

NATO CIMIC Staff Worker Course (NCSWC) is designed with an educational architecture which allows students to attend a modular course through an initial Advanced Distributed Learning module (M1.2) and a final residential phase (M2.2 and M4). For this iteration of the course, due to the need to adapt to COVID19 safety provisions, the module M2.2 will be delivered in e-learning through webinars.

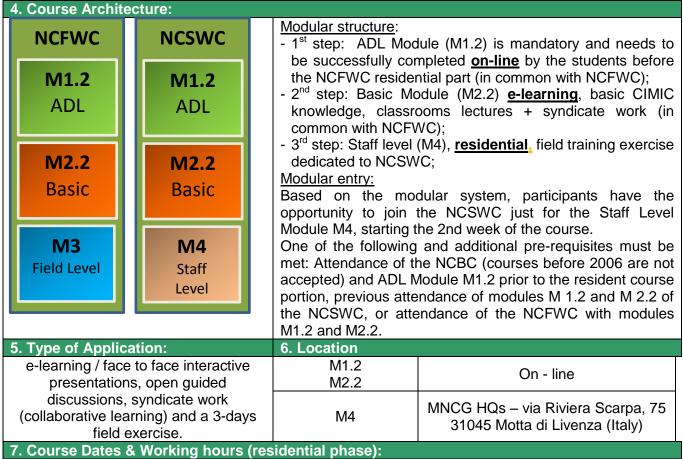

2. Description

The NCSWC is conducted in parallel with the NATO CIMIC Field Worker Course (NCFWC). Prior to the course, students are to attend <u>on-line</u> an initial ADL warm-up module (M1.2). Then, during the first week, Field Worker & Staff Worker students will jointly attend a common phase based on **e-learning** lectures and syndicate work (M2.2). The third and final stage is the 2nd residential week, focused on field training experiences/lessons learned followed by a 3 days field training exercise based on a complex crisis in a failed State (M4). <u>NCSWC is an evolution of the previous NCBC and tailored to the requirements of NATO and UN CROs, Peace Keeping and modern operational environments.</u> NCSWC provides students the opportunity to increase their CIMIC knowledge and practical skills through Syndicate work as well as better experience the CIMIC operator's job at tactical/operational level from a staff perspective.

3. Aim of the Course:

<u>Primary purpose</u>: To enable military participants to accomplish the complete range of **Staff Level CIMIC activities** across the full spectrum of military engagement in a modern operational environment.

<u>Secondary purpose</u>: to create awareness for those organizations and individuals who have a vested interest in CIMIC activities.

Multinational CIMIC Group, Via Riviera Scarpa 75, 31045 Motta di Livenza, IT

1/4

	20 th May 2022 27 th May 2022	08.00-16.30 from Monday to Thursday 08.00-12.00 on Fridays				
8. Applications:						
Pre- registration form on-line available @: <u>https://cimicgroup.organizzo.io/evento/201/nato-cimic-field-staff-worker-course-ncfswc-01-21-pre-registration</u>) not later than:

			ational level. The course is also open			
			Organization that might co-operate or			
interact with NATO forces.						
- The ADL module must have been successfully accomplished to be eligible for the						
message);	residential phase (Details about the ADL account will be forwarded together with the confirmation					
- Cost-effectiveness: Maximum number of students is 25 and the minimum is 15. These numbers are						
	considered sufficient for answering current NATO training needs in this domain;					
 English language proficiency as depicted below IAW STANAG 6001: SLP (3/3/3/2); 15. Personal Qualifications 						
	rtnorabin for Doog	Maditorranac	n Dialogua, Istanbul Initiativa			
- Course is open to NATO, Pa						
	personnel and Civilian personnel with a vested interest in Civilian and Military Coord Issues;					
- Military attendees must have attended a military school / academy:						
Priority 1 will be given to military personnel assigned or selected for assignment to a CIMIC or						
CIMIC related appointment in a deployed NATO HQ or unit - Priority 2 will be given to military						
personnel assigned or selected for assignment to a CIMIC or CIMIC related appointment in a static						
NATO HQ or unit; Priority 3 will be given to military personnel assigned or selected for assignment						
to a CIMIC or CIMIC related appointment in a National HQ or unit.						
- Civilian students should have a comparative degree of education:						
Priority 1 will be given to IOs/GOs/NGOs Representatives.						
- Any other application will be scrutinized on a case by case base. CVs are encouraged to						
support the selection process. No sponsorship programs exist for this course.						
16. Assessment & Grading Policy:						
All participants are expected to uphold the following classroom requirements:						
1. Active participation in class and all group work assignments;						
2. On - time attendance of all s	essions (waivers au	uthorized by the	e Course Director):			
3. A multiple choice test based on the Course content will be held during the course.						
The final grading list will be issued by the Course Director based on the score of the ADL						
course, the outcome of the final test (multiple choice, based on the Course content and the						
student performance evaluated by the Instructors.						

17. Accommodation:
- Unless differently communicated, Hotel booking remains a student responsibility. MNCG can assist the booking process, providing a list of Hotels which grant special fares to MNCG students. The Hotels listed by MNCG Protocol Office will be connected to the course premises by a free daily shuttle bus ^(*) .
Italian military personnel will be accommodated in Barracks Quarters unless differently requested ^(*) ;
^(*) if allowed by covid19 safety procedures.
18. Dress Code:
 Combat uniform for military personnel, smart casual/casual for civilians. On the last day military personnel is allowed to attend the course in civil clothes.
19. Security Clearance:
The Course content is non sensitive info releasable to course attendees.
20. Transportation:
 Travel arrangements and costs are a student responsibility, including visa arrangement procedures for non EU citizens; we recommend you to contact your National Authorities to find out what immigration provision applies to you.
 Special instructions in accordance with the standing covid19 safety procedures will be issued in due time;
21. Visa Requirements
Every participant is required to check with his/her country's appropriate authorities whether he/she needs a VISA for entering Italy. No invitation letters can be provided by this HQ;
22. Medical Assistance:
- Course participants are required to undertake a COVID molecular test 3 days prior the start of M3 module. An additional antigen rapid test will be conducted by MNCG medic personnel prior to start the course. Given the volatility of the situation participants are invited to constantly check with national authorities and/or MNCG the current safety procedures applicable.
 Medical Assistance is granted free of charge for EU nationals through the European Health Insurance Card or through proper document (contact your own National Health Service). Non EU Citizens are advised to stipulate a Medical insurance for the whole period.
